

The Home of the Falcons..... Foundation Academy

Greetings **Foundation Academy** Families,

On behalf of the staff, I am happy to welcome you to the 2025-2026 school year! We are looking forward to a productive partnership with you to ensure our children can achieve their highest potential. We recognize that in order to be successful in school, our children need support from both the home and the school. We know a strong partnership with you will make a great difference in your child's education. As partners, we share the responsibility for our children's success and want you to know that we will do our very best to carry out our responsibilities. We ask that you guide and support your child's learning by ensuring that she/he:

1. Attends school daily and arrives on time, ready for the day's learning experience
2. Completes all homework assignments given by teachers
3. Reads daily to develop a love for reading and to improve literacy skills
4. Shares school experiences with you so that you are aware of his/her school life
5. Informs you if he/she needs additional support in any area of subject

During the course of the year, it is my hope that we will continue to work together to provide our scholars the best opportunities in preparing them to be productive citizens and creative, critical thinkers!

We are proud to announce that we have added an outdoor classroom encompassing a green house for our STEM classes. It is equipped with for plot studies and growing just about anything.

Again, we thank you for choosing **Foundation Academy** as your choice of educational advancement and success. Our door remains open and I welcome your questions. Our door remains open and I welcome your questions. We look forward to making this year our best year yet!

Yours in Education

Mitzi Kimani, Head of School
