We are the Falcons!

## Blizzard Bag Parent Letter – From Ms. Cich

Hi Families!

When school is canceled for snow, we'll use our Blizzard Bags to keep learning fun at home. Each day has Reading, Math, Science, and Social Studies activities your child can do independently or with your help.

Please have your child complete one Blizzard Bag day for each snow day. When we return to school, just send the completed pages back to me.

Thank you for your support and for helping your child keep learning—even on snowy days!

Stay warm and cozy,

♥ Ms. Cich

# Day 1 - Reading

## The Snowy Day Adventure

Write 4 sentences telling: (1) Who was in the story, (2) Where it happened, (3) What problem they had, (4) How it ended.

- Write your answers below:
- 

[ Large Drawing Space Below - Students may draw and color ]

# Day 1 - Math

## + Snowball Problems

1. You made 12 snowballs and threw 4. How many are left?
2. You found 8 icicles and 2 broke off.
3. You had 9 cookies and your friend gave you 6 more.
4. You had 20 marshmallows and used 10 for cocoa.

- Write your answers below:
-
